I am very glad to know that St. Mary's School, Kozhikode is bringing out a souvenir in connection with the Silver Jubilee celebrations, which started with a Holy Mass we offered there. I see that the jubilee year was full of colorful programmes which leave sweet memories in the hearts and minds of all those who are related to this educational institution.

Twenty five years in the life of a school is a very short time, but the first twenty five years have a vital role in giving a strong foundation for the future growth. I know that the initial times were tough and challenging, but you have overcome it with determination and hard work, leading the school to its silver jubilee celebrations. Let us thank the Lord who guided us with great care and helped us with all necessary assistance, especially in times of difficulty.

As a Catholic institution we have to contribute actively to the betterment of India and its people, by sharing in nation building, by breaking down age-old barriers of mind and heart, and all types of exclusion and discrimination, and thereby proclaiming the Kingdom of God on earth.

Transformation of self and others, of communities and societies, is a necessity for achieving this goal. Jesus Christ who was an agent of transformation in the society was deeply moved by poverty, disease, ignorance, greed, injustice, conflicts, and the absence of love and forgiveness in the society of His time. He was filled with a deep sense of compassion for the world, for restoring the integrity of human society and the whole of creation in solidarity with everyone on Earth and every part of creation, beyond all kinds of boundaries and divisions.

I wish and pray that St. Mary's School, Kozhikode continue this mission in our times and work for a new society to enable the millions who have no name or face or dignity and whom society treats as non-persons, to regain their dignity and self-worth. May the Jubilee celebrations prompt us to take up this noble endeavor!

I congratulate everyone who contributed to the growth of this institution in one way or other, and invoke God's blessings on each and every one of you.

## ST. JOSEPH'S CONGREGATION

(Archdiocese of Kottayam)

ST. JOSEPH'S GENERALATE

**REV. Sr. ANITHA SJC**

**T**he Silver Jubilee of St. Mary's School is a historical event for each and everyone associated with this institution. It is with immense joy and deep gratitude to God that I pen these few lines for the souvenir brought out to mark the event. St. Mary's has gone through 25 silver years of service to society. Looking back to the last 25 years, I am sure you will join me to rejoice and thanking God for lighting a little lamp in the minds and hearts of thousands of children and inspiring them to excel affirming what Gandhiji said "education is an all-round drawing of the best in the child and man body, mind and spirit"

This celebration gives me a cause for great gladness; it underlines the importance of education as offered by the school to children from their early years. Bible affirms "Wisdom teaches her children and takes hold of those who seek her". (Sir.4:11). The splendor of academic distinctions and the fragrance of personal qualities imbibed by the students are indeed rich tributes to the firm commitment of the management and staff to the ideals of education ably supported by the parents All of you are key stakeholders in raising this institution to the highest standards.

I would like to share a special word with the students. You should value freedom, justice, truth and respect for every person created in the image of God and for every creature. Prepare yourselves to work for the enhancement of yourselves and of the society at large. Study hard and take heed of the teaching of your parents and teachers.

A special thanks to the Principal, Rev. Sr. Anice for stimulating the aspirations of the rising generation, your dedication and commitment to the school inspire us. I extend my heartfelt appreciation and gratitude to the teaching faculty for the precious work they do, in collaboration with our sisters. My gratitude is extended to the sisters for their immense contribution. All of you together are demonstrating your dedication to the mission of education and motto of the school "Light to the World".

I would like to thank all the parents and well wishers for having chosen this school for their children's education. It is a sign of their faith in the high standards offered by our school. I offer my affection and prayers to all of you. May God bless you to continue the good work in serving the children.

കേരളത്തിൽ ഉച്ചനീചതുങ്ങൾ അപ്രത്യക്ഷമായെങ്കിൽ, ആർക്കും ഒരേ ക്ലാസ്സിൽ, ഒരേ ബഞ്ചിൽ ഇരുന്ന് പഠിക്കാൻ സാധിക്കുന്നെങ്കിൽ, നിങ്ങൾ പ്രകാശമാണ്, എന്നത് ഒരോരുത്തരിലേക്കും എത്തിക്കുകയാണ്. വിദ്യാഭ്യാസം എന്നതുകൊണ്ടുദ്ദേശിക്കുന്നതും അതാണ്. St. Joseph's സന്യാസിനീ സമൂഹം ഈ പ്രദേശത്ത് 25 വർഷമായി നൽകിക്കൊണ്ടിരിക്കുന്നതും അതുതന്നെയാണ്. ഇവരുടെ സംഭാവനകൾ കൊണ്ട് ലോകത്തിലെ അന്ധകാരം ഇല്ലാതായി മാറട്ടെ എന്ന് നമുക്ക് ഒന്നുചേർന്ന് പ്രാർത്ഥിക്കാം. പ്രകാശം ഉള്ളവരായി മാറണം എന്ന ആഗ്രഹത്തോടെയാണ് ഈ വിദ്യാലയം ഇവിടെ സ്ഥാപിച്ചത്. അന്ധകാരം ഇല്ലാതാകണം വെറുപ്പ് ഇല്ലാതാകണം, ജാതിമത ഭേദത്തിനപ്പുറമായി പരസ്പരം സ്നേഹിക്കാൻ കഴിയണം. കോഴിക്കോടിന്റെ സാംസ്കാരിക തനിമയോട് ചേർന്നു സഞ്ചരിക്കുവാൻ SJC Sisters ന് സാധിച്ചു. സെന്റ് മേരീസ് സ്കൂളിന് സാധിച്ചു എന്ന് നമുക്ക് അഭിമാനമാണ്.

ഇനിയുള്ള വർഷങ്ങളിൽ തീക്ഷണതയോടെ പീഠത്തിൽ തെളിച്ചു വെച്ച ദീപമായി പ്രകാശിക്കുവാൻ ഇവർക്ക് സാധിക്കട്ടെ എന്ന് പ്രാർത്ഥിക്കുന്നു. ഇവിടെ കടന്നു വരുന്ന കുട്ടികളോട് "You are in the light, light is in you, you are the light" എന്ന് പറയുവാൻ കഴിയട്ടെ എന്ന് ആശംസിക്കുന്നു.

സെന്റ് മേരീസ് സ്കൂൾ ആരംഭിച്ചിട്ട് 25 വർഷം പൂർത്തിയാവുകയാണ്. ഇന്ന് നമ്മൾ എല്ലാ കാര്യങ്ങളിലും ഉന്നത നിലയിൽ എത്തി നില്ക്കുന്നു. പക്ഷേ മനുഷ്യൻ എന്ത് ചെയ്യുന്നുവെന്ന് അവനവന് തന്നെ തിരിച്ചറിയാനാവാത്ത അവസ്ഥ. ഒരിക്കലും നടക്കാൻ പാടില്ലാത്ത പലതും നടന്നു കൊണ്ടിരിക്കുന്ന കാലഘട്ടം. സത്യം പറഞ്ഞാൽ കലിയുഗം എന്ന് തന്നെ പറയാം. നമ്മൾ ഏറ്റവും കൂടുതൽ ശ്രദ്ധിക്കേണ്ട കാലഘട്ടമാണിത്. സ്കൂളിൽ നിന്ന് നമ്മൾ പ്രതീക്ഷിക്കുന്നത് വിദ്യാഭ്യാസം മാത്രമല്ല, ഒരു കുട്ടിയുടെ എല്ലാ നിലയ്ക്കുമുള്ള ഉയർച്ചയാണ്, സമഗ്രമായ വികസനമാണ്. കുട്ടികളെ ഏറ്റവും കൂടുതൽ അടുത്തറിയാനും നിരീക്ഷിക്കാനും കഴിയുന്നത് അധ്യാപകർക്കാണ്.

കുട്ടി തന്റെ മൊബൈലിൽ നോക്കി ലോകം മുഴുവൻ കാണുന്നു. ഈ പ്രത്യേക കാലഘട്ടത്തിൽ എന്ത് വന്നാലും നമുക്ക് നേരിട്ടേ മതിയാവൂ. അല്ലാതെ ഇതിൽ നിന്നും ഒളിച്ചോടി പോകാൻ ആർക്കും കഴിയില്ല. ഏത് പ്രതിബന്ധങ്ങളേയും അതിജീവിച്ച് മുന്നോട്ട് പോവുക എന്നുള്ളതാണ് യാഥാർഥ്യം. നമ്മൾ കോവിഡ് എന്ന മഹാമാരിയെ നേരിട്ടത് പോലെ ഇന്ന് കേരളത്തെ വിഴുങ്ങിക്കൊണ്ടിരിക്കുന്ന ലഹരിമരുന്നിനേയും ചെറുത്തുകൊണ്ട് അതിജീവിക്കണം. ഒരു നല്ല തലമുറയെ വാർത്തെടുക്കുക എന്ന പരമമായ ലക്ഷ്യത്തിലേക്കാണ് ഈ വിദ്യാലയം നീങ്ങിക്കൊണ്ടിരിക്കുന്നത്. ഒരു നല്ല സ്ഥാപനം എന്ന നിലയ്ക്ക് ഇത് നിലനിർത്തണം. കൂടുതൽ കരുത്തോടെ മുന്നോട്ട് പോകാൻ ജഗദീശ്വരന്റെ മുഴുവൻ അനുഗ്രഹവും ഉണ്ടാകട്ടെ എന്ന് ആത്മാർത്ഥമായി പ്രാർത്ഥിക്കുന്നു.

കഴിഞ്ഞ 25 വർഷക്കാലമായി ഈ നാടിന് നന്മകൾ നൽകുന്ന ഒരു ഇടമാണ് സെന്റ് മേരീസ് സ്കൂൾ എന്നതിൽ യാതൊരു സംശയവുമില്ല. ഈ സ്കൂളിൽ കടന്നുവരുന്ന ഓരോ വ്യക്തിക്കും പറയാനുള്ളത് നന്മകൾ മാത്രമാണ്. നാളിതുവരെ ഇവിടെ സേവനമനുഷഠിച്ച മാനേജ്മെന്റ് അംഗങ്ങൾ, സിസ്റ്റേഴ്സ്, അധ്യാപകർ. അന്ധ്യാപകർ എന്നിവരെക്കുറിച്ച് നല്ലത് മാത്രമേ പൂർവ്വ വിദ്യാർത്ഥികൾക്ക് പറയാവാനുള്ളൂ. മാത്രവുമല്ല തങ്ങളുടെ ജീവിതത്തിൽ എന്തെങ്കിലും നന്മകൾ ലഭിച്ചിട്ടുണ്ടെങ്കിൽ അത് ഈ വിദ്യാലയത്തിൽ നിന്നുള്ളതാണ്. സെന്റ് ജോസഫ് സന്യാസിനി സമൂഹാംഗങ്ങളെ ഈ അവസരത്തിൽ പ്രത്യേകമായി അഭിനന്ദിക്കുന്നു. സ്കൂളുകൾ മാത്രമല്ല ആതുര ശുശ്രൂഷസേവനത്തിലും കൂടുതൽ സമയം ചെലവഴിക്കാനായിട്ട് സെന്റ് ജോസഫ് സന്യാസിനിസമൂഹം തങ്ങളുടെ ജീവിതത്തെ മാറ്റിവെച്ചു. തങ്ങളുടെ ജീവിതത്തിന്റെ കാരിസ്മെന്താണെന്ന് മനസ്സിലാക്കിക്കൊണ്ട് അത് കൃത്യമായി സമൂഹത്തിന് നൽകാനായിട്ട് എന്നും തയ്യാറായി നിൽക്കുന്ന വ്യക്തിത്വങ്ങളാണ് ഈ സന്യാസിനി സമൂഹം. തുടർന്നുള്ള വർഷങ്ങളിലും കോഴിക്കോടിന് ഒരു അനുഗ്രഹമായി ഈ സ്കൂൾ മാറട്ടെ എന്ന് ആശംസിക്കുന്നു.

പുറംകാടിന്റെ പുസ്തകത്തിൽ ഇസ്രായേൽ ജനം ഈജിപ്തിന്റെ അടിമത്വത്തിൽനിന്ന് കാനാൻ ദേശത്തേക്ക് പോകുമ്പോൾ അമ്പരം പർവ്വതമലയുടെ നിരയിലെ നോബോ മലയുടെ മുകളിലെത്തി പുറകോട്ട് ഒന്നു തിരിഞ്ഞു നോക്കുന്നുണ്ട്. ദൈവം അത്ഭുതകരമായ രീതിയിൽ കൈ പിടിച്ചു നടത്തിയത് നന്ദി നിറഞ്ഞ ഹൃദയത്തോടെയാണ് അവർ കാണുന്നത്.

സെന്റ് മേരീസ് ഇംഗ്ലീഷ് മീഡിയം സ്കൂളിനെക്കുറിച്ച് ഓർക്കുമ്പോൾ എവിടെ വഴിയിൽ വെച്ച് കണ്ടാലും പുഞ്ചിരി സമ്മാനിച്ച് അടുത്തേക്ക് വരുന്ന റവ.സിസ്റ്റർ ആനീസ്, മറ്റ് സിസ്റ്റേഴ്സ്, രക്ഷിതാക്കൾ, വിദ്യാർത്ഥികൾ എന്നിങ്ങനെ എല്ലാവരും ബഹുമാന പുരസ്കാരം എന്റെ മനസ്സിലേക്ക് കടന്നുവരുന്നു. ഇവിടെ നടത്തുന്ന സേവനങ്ങൾ നാം കാണാതെ പോകരുത്. പാവപ്പെട്ടവർക്കുവേണ്ടി വീട് ഉണ്ടാക്കാനുള്ള സമ്മനസ്സ്, ഭക്ഷണം ഇല്ലാത്തവന് ഭക്ഷണം നൽകാനുള്ള മനസ്സ്, സാമ്പത്തിക സഹായം, മറ്റനവധി സഹായങ്ങൾ എന്നിവ ചെയ്തു കൊടുക്കുന്ന സിസ്റ്റേഴ്സ് നമുക്ക് മാതൃകയാണ്. അതാണ് നിങ്ങൾ വിദ്യാർത്ഥികളും മാതൃകയാക്കേണ്ടത്. ഒന്ന് ഒന്നരക്കൊല്ലം കോവിഡ് ഭയന്ന് ഒരുപാട് കഷ്ടപ്പെട്ടിട്ടുണ്ട്. അപ്പോഴൊക്കെ എന്നെ വിളിച്ച് എവിടെ നിന്ന് തുടങ്ങണം. തുടർന്ന് എന്ത് ചെയ്യണം എന്നിങ്ങനെയുള്ള കാര്യങ്ങളെല്ലാം ചോദിച്ച് സിസ്റ്റർ വളരെ ഭംഗിയായി നിർവഹിച്ചിട്ടുണ്ട്. ഇനിയും നമുക്കൊരു മിച്ച് നിന്ന് കൂട്ടായി പ്രവർത്തിക്കണം. എല്ലാം നന്മകളും നേരുന്നു.

കോവിഡ് സാഹചര്യത്തിൽ സ്കൂളിന്റെ രജിസ്ട്രേഷൻ ആപ്ലോഷത്തിൽ പങ്കെടുക്കുവാൻ എനിക്ക് സാധിച്ചതിൽ വളരെ അധികം സന്തോഷം ഉണ്ട്. സെന്റ് മേരീസ് ഇംഗ്ലീഷ് മീഡിയം സ്കൂൾ ഒരു അഭിമാനം ആണ്. ഈ കാലഘട്ടവും ഉള്ള പ്രവർത്തനം കൊണ്ട് നല്ലൊരു വിദ്യാലയം എന്ന പേരെടുക്കുവാൻ ഈ വിദ്യാലയത്തിനു സാധിച്ചിട്ടുണ്ട്. കോവിഡ് സാഹചര്യത്തിൽ നമ്മൾ പകച്ചു നിന്ന സമയത്ത് പ്രിൻസിപ്പലിനെ വിളിച്ചപ്പോൾ വളരെ പോസിറ്റീവ് ആയിട്ടുള്ള ഒരു മറുപടിയാണ് കിട്ടിയിട്ടുള്ളത്. വെള്ളപ്പൊക്ക സമയത്ത് നമുക്കൊരു ആവശ്യം വരുന്നെങ്കിൽ ഈ വിദ്യാലയം വിട്ടുതരുവാനുള്ള ഒരു നല്ല മനസ്സ് ഇവിടുത്തെ സിസ്റ്റേഴ്സ് കാണിച്ചിട്ടുണ്ട് ഈ വിദ്യാലയത്തിന് സമൂഹത്തോടുള്ള ഒരു പ്രതിബദ്ധത അവർ കാണിക്കുകയുണ്ടായി. ഈ വിദ്യാലയ സമിതിയോടും, അദ്ധ്യാപകരോടും അതിനുള്ള നന്ദി ഈ സമയത്ത് അറിയിക്കുന്നു. ഈ വിദ്യാലയം ഇനിയും ഉയരങ്ങളിൽ എത്തട്ടെ എന്ന് ആശംസിച്ചു കൊള്ളുന്നു.

**Y**ou consider yourself a mother. You mould out a child by giving education that means you are moulding a society. In other words, when you consider yourself as a mother, you will become the mother of the society. I always remember the Bible Verse "He who is mightier than I is coming, the strap of whose sandals I am not worthy to untie". In this verse John the Baptist predicts that he will be followed by someone much greater than himself. It's about Jesus.

Let me greet best wishes to my successors and prayerful greetings to this esteemed institution.

Pioneer Team

In the year 1996, with the blessings of Almighty, St. Mary's English Medium School, Chevarambalam, had its humble beginning, by the Archdiocese of Kottayam with two teachers and 50 students in its kindergarten. The aim of this was to give value based quality education for the residents of this area of Kozhikode. Today, this school has grown up to the expectation and it is a CISCE affiliated co-educational school which provides value based quality education to aspirants from kindergarten to senior secondary school.

Our Principal **Rev. Sr. Anice SJC** gives her valuable message on the occasion of Silver Jubilee Celebration

**25** glorious years give the crown of satisfaction to St. Mary's English Medium School, Chevarambalam. It gives immense inspiration for its further journey and to strive for perfection with confidence. As the principal of the school, I humbled myself in Thy presence for His providence. It wasn't easy to overcome the hurdles over the years. The beam of blessings of the patroness Mother Mary and dedication of the pioneer team added unfailing support for this journey. Dream and passion of Daivadasan Thommiachen is bearing fruit now.

Each step and decision of the former administration team was crucial. Sweat and effort of teaching and non-teaching staff is priceless. Total dedicated manpower can not be counted. Contribution of students and parents is huge. In this process of growth of the institution, I am glad that I could be a part of it as the principal to make a difference in the life of many, as, it was a God given blessed duty entrusted by my superiors with a lot of belief. Now it's a must for this Marian family to serve with more commitment as the expectations of stakeholders are increasing.

I pray and wish that St. Mary's English Medium School Chevarambalam may break all track records and reach its vision 2025, by giving opportunities for many by stretching the potential and to become the institution of their dream.

## EDITORIAL

*Imagination is the beginning of creation  
You imagine what you desire  
You will what you imagine  
And at last, you create what you will*  
**George Bernard Shaw**

**N**ew life is always interesting. Have you ever measured the pain, a seed has to undergo to open up into a new life? The impulses for this transformation is packed within the seed during its birth by the creator. The moment the seed opens up with its potential and talents, it becomes the life for many, breath for many.

As one opens this souvenir, a treasure of wishes and talents chants the soothing song of transformation. One can hear the chime of bells of satisfaction. Each letter or word utters heroic saga of years, and continues its march towards victory stand depicting its role in this transformation. It's a big tale of 25 years and each Marian portrays a character in the tale, decorates each moment or their role. Change is inevitable for creatures, but creator never changes.

The decked up St.Mary's School, with a great gratification is taking its 25th step, by receiving the applause of onlookers. Just like chicks are peaceful and confident under the wings and warmth of its mother, each Marian grows into a great personality with the consoling touch of Mother, without the fear of the storms around.

We are deeply indebted to God Almighty, the management, the entire souvenir committee, faculty, students, alumni, parents and all well wishers for their key role to make this SILVER STEPS, the voice of Kozhikode, a success.

Deep appreciation and gratitude to all those who have helped to make this souvenir a unique one. ## MARIAN NOSTALGIA

PRECIOUS HISTORY OF ST.MARY'S ENGLISH MEDIUM SCHOOL FROM 1997-2021

This is Kozhikode, the historical town with a hoary past. The principal city of the magical Malabar coast that became a necessary port of call for traders from around the globe. Arabs, Chinese, and any one worth their sort have found their way to this city of truth. Kozhikode has witnessed the glorious history of several contributions of Christian Missionaries in the field of education. Crossing the crowded city roads, heading to the East, we reach Chevarambalam, which was a peaceful and calm suburb of Kozhikode earlier but now as bustling like the city, an institution owing its existence to the public spirited citizen of Calicut established 25 years ago.

St. Mary's English Medium School, Chevarambalam had its humble beginning in a temporary make shift arrangement with 50 students (Kindergarten) two sisters as teachers and one helper, in the most beautiful proud, ancient, Zamorin's city of Malabar. With the grace of Almighty and

dedicated passionate work of the pioneer team, it could elaborate itself into primary school. A full-fledged school building was made functional on 2nd February 1997. The institution is run by Catholic minority community and is managed by sisters of St. Joseph's congregation (S.J.C) of Kottayam Archdiocese through a registered body named St. Joseph's Educational and Charitable Trust" on 31.01.2002 We got affiliated to CISCE in January 2005. Now the school caters students in its Kindergarten, Primary, Secondary, Senior Secondary classes.

St. Mary English Medium School continues its journey towards excellence, with the intercession by our Patroness Mother Mary, in the foot prints shown by our Founder Servant of God, Thomas Poothathil.

Changing along the trends, school now provides advanced learning facilities with its motto "WITH LIGHT TO THE WORLD"

## 1996 - 2000

St. Mary's English Medium School was established in the year 1996 under the Catholic Minority Community managed by the Kottayam Archdiocese. A small building was chosen to set up the School which opened its doors with 50 students enrolled in Kindergarten, two sisters and a helper. Rev.Sr. Sajini was then the HM and Rev. Sr.Stephiny was the Superior of the Convent.

On 2nd February 1997, the School building was officially inaugurated and blessed by Mar. Kurikose Kunnacherry, Bishop of Kottayam in the presence of City Police Commissioner, Mr. Vincent M Paul IPS and then the Vicar General for Malabar region, Mgr. Rev. Fr. Stephen Jayaraj.

On 9th March 1997, First Annual Day of the School was conducted. Mr. Sudheesh, the famous Cine artist and celebrity inaugurated the function.

First annual day inauguration

On 28th February 1999, School organised the Second Annual Day where the Chief guest was Prof. C.N. Balakrishnan Nambiar and the function was presided by Mar Mathew Moolakkat, Bishop of Kottayam.

കോഴിക്കോടിന്റെ സാംസ്കാരിക തനിമയുമായി ലയിച്ചു ചേർന്നുകൊണ്ട്, ഈ നാടിന്റെ അഭിമാനമായി മാറിയ വിദ്യാലയമാണ് സെന്റ്മേരീസ് ഇംഗ്ലീഷ് മീഡിയം സ്കൂൾ ചേവരമ്പലം. വിദ്യാഭ്യാസമെന്നത് വെറും പുസ്തക പരിചയം മാത്രമല്ല, കുട്ടികളുടെ നൈസർഗിക വാസനകളെ പരിപോഷിപ്പിച്ച്, അവരുടെ വ്യക്തിത്വം വികസിപ്പിക്കുന്നതിനും കുടിയുള്ളതാണ് എന്ന സത്യം തിരിച്ചറിയുന്ന അധ്യാപകരും, മാനേജ്മെന്റുമാണ് ഇവിടത്തെ ഏറ്റവും വലിയ മഹിമ.

ഒരു വിദ്യാലയം തുറക്കുന്നവൻ ഒരു ജയിൽ അടയ്ക്കുകയാണ് എന്നാണ് വിക്ടർ ഹുഗോ പറഞ്ഞിട്ടുള്ളത്. വെറുമൊരു കുട്ടും പുസ്തകങ്ങളുടെ സൃഷ്ടിക്കുക എന്ന നവീന വിദ്യാഭ്യാസ ശൈലിയിൽ നിന്നും വഴിമാറി സഞ്ചരിച്ച്, ഹുഗോയുടെ വചനങ്ങളെ ശരി വെക്കുന്ന രീതിയിൽ നല്ലൊരു സമൂഹത്തെ വാർത്തെടുക്കുക എന്ന കടമ സ്തുത്യർഹമായ രീതിയിൽ ഇവിടെ നിർവ്വഹിക്കപ്പെടുന്നു എന്നത് അത്യന്തം സന്തോഷകരമാണ്.

കാൽ നൂറ്റാണ്ടുകാലത്തെ മഹനീയ പ്രവർത്തനങ്ങൾ അതിന് സാക്ഷ്യം വഹിക്കുന്നു. ഇന്നിപ്പോൾ രജത ജൂബിലി നിറവിൽ എത്തിയിരിക്കുന്ന ഈ വിദ്യാലയം ഇനിയുമിനിയും ഒരുപാട് തലമുറകൾക്ക് അക്ഷരവെളിച്ചവും, ജീവിതത്തിലേക്കുള്ള ഊർജ്ജവും, മനസ്സുകളിൽ നന്മയും പ്രാപനം ചെയ്ത് ശ്രേയസ്സിന്റെ കൊടുമുടികൾ കയറട്ടെ എന്നാശംസിച്ചുകൊണ്ട്,

When my mom asked 'What I want to be when I grow up, thought and thought ..... Some times, I want to become a medical 'Scientist' and learn about human organs.

When I draw castles and buildings. I would like to be an Architect ! Watching videos about space makes me to think about becoming an 'Astronaut' and explore space. There are times when I thought I should become a 'Police officer' and catch thieves.

I don't know exactly what I would be ! let us wait and watch...

## MY SISTER

My sister is my best friend. She is a psychology student. She is 12 years elder than me. We talk about everything. She knows all my little secrets that I would never think about telling my mom. And I know that when I tell her it is safe with her, because that is the kind of friendship we have. When I have a problem the first person I want to reach out is my sister and I have always been close through everything. For me, I cannot imagine my life without my sister .....Love you dear.

It's my family tale,  
Which is my tale.  
Gives me warmth,  
And blankets me with love.

They are like the roots of a tree,  
Which helps me to grow free,  
They showed me light-  
In the midst of darkness.

My family is my pleasure,  
Which is really a treasure.  
Nobody can uproot me,  
For they give me strength.

# SUPER HERO ROY

Once upon a time there lived a boy named Roy. He was eight years old. One day he saw a super hero suit in a shop, while he went shopping with his father. He asked his father to buy it and his father bought it. He was playing with the suit. He accidentally pressed a yellow button on the suit. He thought nothing had happened. Suddenly he heard a voice talking to him. At first he did not mind. Then it talked to him again. Then he looked down at his chest. He saw the yellow button talking to him. At first he was scared Then he knew that the suit was not normal. He asked the suit “ Who are you?” The suit replied. “I am a super suit, if I am with you , you will be a super hero. From that day onwards he was a Super hero. He saved people who were in danger. People started calling him “Super Hero.”

All were enjoying at their best  
And some were playing with the birds nest  
I was watching all of them

Some were roaming with their pets

Birds were flying on the sky

# FRIENDSHIP

“True friends are never apart; maybe in distance but never in heart. True friends trust and help each other. When one friend falls in trouble, the other will help without having a second thought. When friends trust each other, one is able to offer pieces of advice and protection to the other when forced with challenges in difficult situations. Good friendships have a lot of benefits such as increased levels of happiness, reduced levels of stress, improved self worth and confidence. A little bit of sacrifices and compromises are needed to maintain good friends in our life.

# MY FRIENDSHIP WITH NATURE

Illustration  
**Thanmaya K K** | III A

I am a city bred girl but a lover of nature. My mother is from Veeyapuram near Haripad, a beautiful place lulled by the strokes of the Pamba and the Achankovil rivers. The seasonal boat races, the rhythmic beats of the oars and the shouts of joy even now fill my mind with pleasure. My dad is from Nedumkunnam, a small village near Kottayam. It's hillocks end to sprawling rubber plantations and render a visual treat for a man. Here, I am in a flat at Kozhikode with lots of sweet nostalgic memories. From the balcony garden of my flat, I enjoy sunrise and sunsets and watch the transformations of nature. This mental make-up of mine, explains the reason for my friendship with nature. According to me, Mother Nature can be our most reliable friend throughout our life's journey. Nature, with its changing seasons and charming flora and fauna is an open book which offers many valuable lessons. We destroy nature only to satisfy our personal ends. Mother nature unleashes strong tsunamis, floods and draughts in the form of punishments. But still at times she is generous to us. So instead of destroying her, please follow her, respect her and preserve her. She will be a source of relief and joy!

**My** school St. Mary's English Medium School, located at Chevarambalam is the best ICSE/ISC Gurukulam in Kozhikode. I still remember my first day at school. I was really anxious but the teachers gave a warm welcome with their smiles, so I felt comfortable thereafter.

The Motto of our school is “With light to the world” The most important person to be mentioned, while mentioning our school is our principal Sr. Anice who cares and supports us and always stands for us. Our teachers always made us feel like home at our school. They could manage very well even during the pandemic through online classes.

Our school encourages students not only in academics but also in sports and arts. I feel proud to say that I am a “Marian” and I thank my parents for choosing this prestigious school for me. Let us join our hands to lift the flag of St. Mary's higher.

# THE TERRIBLE DAY

It was summer holidays. My family planned to go for a picnic to a hill station. Shon's family also joined us. Shon's father is our family friend. He is one of my best friends. We started our journey. Trips to mountain top were really adventurous. I was really afraid, but Shon enjoyed the trip. I really wondered how he enjoyed the journey. When we reached our destination we set up everything. It was so cold on mountain top, so we had to wear big jackets. Soon, with our parents' permission, we went for a walk in the mountains. After sometime, when we were roaming there, the clouds became very dark, so we could not see anything. Everyone could predict that it's going to rain. We started running to our campsite. Because

of the darkness we lost our way. We were trapped in darkness. We roamed around and realized that we were trapped inside the bushy forest area. After sometime I lost my consciousness. When I woke it was dark all around. There were lots of noise in the bushes. We were so afraid, that Shon shuddered with fear. After sometime we found bright lights. When we looked around some people with torches were standing there. At first we thought they were robbers, then we realized they were rescue workers, who came to rescue us.

Suddenly I thought about Shon, but he was safe with the rescue squad. We were too scared. Memory of that picnic still fills my eyes with fear.

# NATURE HAS EVERYTHING FOR US

This story tells you that no one is alone in this world. The one who feels alone thinks that they are alone, makes them feel lonelier.

Once, a little girl named Liliander felt lonely in her little mud-baked house in a poor village. She had no one- father, mother, sibling, relatives and no friends. What she ate was wild berries that she collected from the woods which was two miles from her house. There was a giant banyan tree which was more than 150years old. She used to spend her most of her time sitting under the tree. She sat and cried and said her sadness to the tree. Suddenly the tree spoke to her. She was astonished. The tree said, " You are not alone. The feeling inside you makes you feel alone. Open up your eyes! See the animals, birds, insects and all the creatures. They can be your friends, and relatives, parents and siblings." The girl woke up and realized that it was a dream after all. She looked around and understood what the banyan tree told her was true. She only said," Nature has everything for all of us. This feeling is what makes us lovely."

## NATURE, GOD'S GIFT

Nature is so wonderful, filled with hues and wonders with the animals God painted; and the flowers and rainbow colours. In the tiny snail, the mighty whale, we see God's special touch. The singing of birds, sound of waves; we love to listen so much. God's glory in sparkling water, in the moon, stars and glowing sun. Love Nature and save the future. Let us thank our creator, and protect our nature.

## MY TRIP TO NEW DELHI

Last November, our family made a trip to New Delhi. I was very excited to visit our capital city and see the place that I have learnt in my GK classes. It was also my first night time flight experience. I enjoyed seeing the moon, shining from the clouds near me. The light of morning vehicle looked like fire flies from above. We visited many places like Red fort, India Gate, and Qutab Minar. I saw a building that looked like Lotus. Papa told me it is the Lotus Temple. Delhi has many huge fly overs tall buildings and beautiful parks. I enjoyed our trip to our capital city.

# MY TRIP TO HYDERABAD

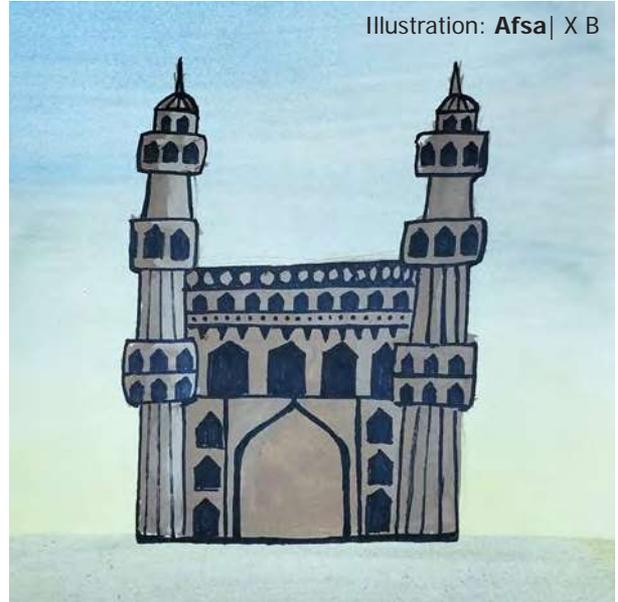

In April, I went with my family on a trip to Hyderabad. We went there by flight from Bangalore. We reached there early in the morning and took a cab and went to the Hotel Nest.

Hyderabad is a beautiful place that one should visit in their lifetime. First day we visited the Golconda Fort. It was built by Qutub Shahi Kings. It has majestic walls which are very high. It was very beautiful to view from the top. Then I went to Chowmahalla Palace, it covers acres of land. After that we were tired and decided to have lunch. We ate Hyderabad Biryani which is one of the famous foods in Hyderabad and was very delicious and tasty. Then we went to the Lumbini Park. It is situated close to the Hussain Sagar Lake. The musical fountain and the laser show in the park were very attractive. Boating at Hussain Sagar Lake was really thrilling.

Second day we went to the Salar Jung Museum. It is situated on the banks of Musi River. Then we went to Charminar . It has a small mosque on the top floor . Evening we went to Lad Bazar for shopping. It is famous for bangles and pearl market. Third day we went to the Ramoji Film City- one of the largest film studios in the world. It spreads over 2500 acres. There we saw various film sets like London street, Japanese garden, landscapes etc. That whole day was spent at Ramoji.

Next day, we woke up early and went to Jagannath Temple. Jagannath temple is famous for its annual Rathayatra festival attended by thousands of devotees and the carvings depicted on the pillars of the temple were really artistic. The next day we packed our bags and boarded our flight. It was an enjoyable trip and the memories of sight seeing still lingers in my mind.

# SCHOOL DAYS

Growing up in this day and age  
With free expression all the rage  
Our young ones learn when starting school.  
That reading's fun and maths is cool.  
While writings not the feast bit.  
It really is so much like drawing  
For every child it is essential  
To realise their full potential

And teachers always do their best  
To stimulate their interest  
When years of school days end at last  
With all examination passed  
Will the children reminisce?  
And say, "Our school days we will miss"  
And as the final day arrives  
They were the best days of our lives

Oh! It's dark  
Lots of stars  
Shining bright  
Through the sky  
Lots of secrets  
To tell you tonight  
Can I trust you

Every night?  
This night you make it shine  
Little star  
Looking at what we do tonight  
Can't count, many of you  
Little star  
Glow and shine

## THE DRIVE TO SCHOOL

Isabelle woke up with a startle as her alarm clock rang loudly, suddenly she remembered about her assignment that she had forgotten. She quickly rushed out of bed and got ready. She jumped into the car. Her father started the engine and they drove off. On the way, deciding on what to do about the assignment, she looked out of the window and saw something that made her think. A starving mother and her young son beside her. Not to think about it, she turned her head to the other window.

But through that window, she saw another sad sight, a woodcutter cutting down a tree, "Deforestation" she whispered to herself. Further ahead they met with a traffic jam, there was a lot of smoke caused by the vehicles, "Pollution" she mumbled. A light bulb flickered on in Isabelle's head. Her assignment was to say a presentation about some topic. As soon as Isabelle reached the school gate, she jumped out and rushed inside for morning assembly. At school, when it was her turn to present, she talked about what she had seen that day and how it made her feel, then she told about the damage humans are causing to this world. Later in her presentation, she told about how to help eliminate this massive problem by, for example, using electric vehicles instead of those that run on fuel,

using fewer plastic bags, using bicycles whenever travelling short distances, and whenever you see a hungry man on the sidewalk, it would be nice to give them food and water. After her presentation was over, everyone gave her a standing ovation. On the way home, she stopped by the side of the mother and son she saw in the morning and gave them a nice meal. The smile on their faces lit up Isabelle's heart. With a smile from ear to ear, she went home with an A+.

# SOLDIERS

Soldiers, are we who protect our alleys from those who dare,  
We are the ones who are brave than those who are scared.  
We warn them, beware....!!!!  
We are the ones,  
Who fight for the right and make a country  
Bright and delightful  
We fight for the country with pleasure and bring back the treasure of righteousness.

# THE MIDNIGHT OCEAN

The Midnight Ocean,  
So magnificent in all its glory  
Glowing under the moon  
With the power to devour land  
Lurking calmly with all its peaceful waves

Us, men, trying to tame this beast  
Since the dawn of time  
End up giving our lives  
Now these men, out of their minds  
Have brought it to its desolation  
Burning it, boring in to its heart,  
Siphoning its life out.  
Soon, we shall face consequences  
Consequences beyond the realm of reason

Till the Midnight Ocean's death  
Shall the race of men breathe

# GOOD OLD DAYS

I came back to my native  
With lots of hopes and memories  
My heart was pounding faster  
Thrilled to see my close one

As I headed towards my home  
I got a glimpse of the nature  
It was raining heavily  
The smell of mud enlightened me

The greenery was fading  
Memories flashed through my mind

# IMPORTANCE OF EDUCATION

Education plays a significant role in the progress of human race. Educated people are responsible for the better future. It is a continuous and life long process. Life becomes prosperous and meaningful. An educated person not only gets the platform for various opportunities for success but also builds up a strong nation. It is a tool which makes us unique from everyone. It gives us knowledge of the world around us. It also educates us about life and how to stay away from bad habits. Education is essential for both men and women to understand every aspect of life. # DREAMS

Dreams are a fantasy  
For when we are in need for courtesy  
Dreams give us hope  
Like a celestial globe

Hold bright on to your dreams  
or it will pass way on your stream  
or forgotten memories

Keep your dreams  
As they act as a  
something wondrous cream

For whenever you need comfort  
It is there without any effort

Dreams are fantasy  
Oh! so Heavenly!

Perhaps the most celebrated event in the world is the World Expo. Expos take place every five years in different cities all over the world. The World Expo series has been running since 1851 when the first event – then called the Great Exhibition – took place in London in the UK. The current Expo going on is the Expo 2020 hosted by Dubai. It provides a platform for the world to come together and share their culture, traditions and ideas of different countries. Though it has been postponed due to covid-19 pandemic, it has attracted as much as 24 million visitors. Each country displays itself to the world through its pavilions and the Expo holds a total of 200 pavilions. The epicentre of the Expo is the ‘Al wasl Plaza’ and it is from this dome that the 3 districts – Opportunity, Mobility and Sustainability – emerge. Each district has different countries that are united by a common motto – connecting Minds, Creating the Future. The next great Expo is expected to take place in Osaka.

## INDIA

India’s massive 4 –floor pavilion has a mix of Ayurveda, Yoga, Space programme, Art, Culture, Cinema and cuisine from across 36 states.

# THE RACE OF LIFE

Life is a race,  
Very fast in pace.  
The racers are the dreamers  
They are the believers.

Don’t stop moving,  
Everyone is running  
At first you may be crawling,  
One day you will be sprinting!

This day you might cry,  
Keep on moving, one day you will fly  
The next day you will rock  
People will look at you in shock.

Keep on pushing, the journey is hard  
A ray of hope, you must have.  
You might feel like you’re going to fall  
But one day you are going to stand tall !

Talk few words , keep it bleak  
One day, your actions will speak.  
Don’t rush at the start for fame  
Focus on reaching that aim !

# VIRTUES

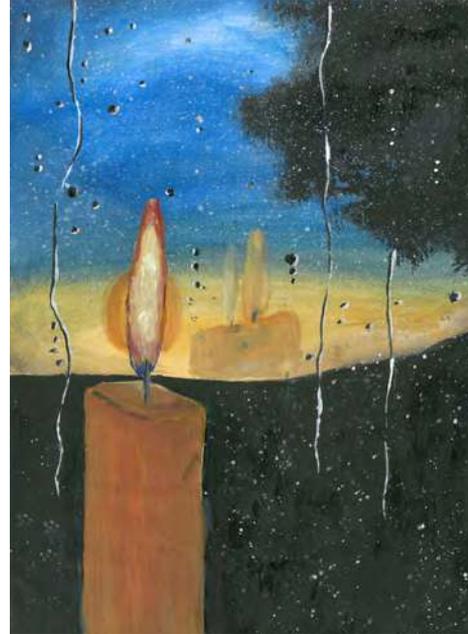

CHARITY is about giving to those who need it  
HUMILITY is modesty expressed as is fit.  
PATIENCE is the virtue of tolerating delay,  
FLEXIBILITY is adapting to what comes with the day,

FAITH is our belief in things unknown,  
GRATITUDE is where thankfulness is shown,  
SELFLESSNESS is about giving others all,  
EMPATHY is feeling pain at someone else's fall,

POSITIVITY is always expecting the best,  
RESILIENCE is the strength to stand the test,  
COURAGE is about braving our fears,  
KINDNESS is wiping away a stranger's tears,

These are the values that build up our kind,  
The virtues upon which humanity has survived,  
A common mortality that has rarely changed,  
A way of life that should be maintained,

## LAP

He came with his hot morning coffee,  
me – dreaming and hugging my cozy bed  
Him sitting on the bed with his white vest  
and loose pant, wearing a watch.  
Woke up with his sipping stand of the coffee  
and the ticking of his watch.  
Rolled around like a fish and placed my  
Head on his ‘Lap’  
His fingers stroke my hair as whispering.  
“wake up.....”, me sleeping like a newborn.  
Oh! He has a name, “Appa!”

# A PROUD WOMAN

Why do I have to listen to you?  
I could wear short sleeves,  
Or dress like a man.  
I could have thick, long hair,  
Or very short hair.  
I wasn't born to be a wife,  
I have the right to choose.  
I may not be good at cooking,  
But I could be the bread-winner.

Why can't I go out alone at night?  
Why can't I just follow my dreams?  
It's my life, not yours!  
Why do I seem inferior to you?

Yes, I am a woman,  
A very proud woman.

# TIME TO RESTART !

Pushing yourself to your limit  
Unmet desires and a wounded heart  
Insecurities does its part  
Still not being enough for it?

Reflect on past, know your needs!  
Change priorities from others to you  
Know your friends that are to you true,  
For they are crucial in changing your deeds.

When the lamp of hope lights your heart,  
Inspirations will turn in to actions.  
Bringing confidence that leads to passions  
That's when you know it's time to restart!

## SCHOOL TIMES END PRETTY FAST, BUT THE MEMORIES LAST FOR EVER...

“GOOD BYES”, I do remember how the responses of the students would be on their last day of school! Having heard this word felt no difference like any other word and never realised the word has a lot of depth in it.

Now, standing at a level, where everything makes sense, and hearing that word or anything related to it, breaks my heart. From writing names on the table to being made the class monitor at least once or from going for school picnics every year to getting scoldings and punishments for wrong doing. Reminiscing these good old glorious times, can make anyone emotional.

School life is one of the memorable phase of a person's life. At least once in a person's life time, he/she surely should have taken a look back to their school life. Spending a full 12 years in an institution and suddenly leaving the place, where half of my life is spent, has great feeling.

It just feels like yesterday, when I first entered this school, with a bag and a water bottle in hand. Time has flown since then, and good bye's seems around the corner. I hate leaving the school, which I loved and I would love to rewind the whole journey back again, where I entered as a 4th grader in this school.

But the whole journey until my 10th grade was

splendid! Each one of us wants to be successful academically too, and now they say that there's a part of our life as student wherein we learn things and at the same time have fun too! And that is high school.

High school is a period in your life where, it does screw you up at the beginning, but will be the best thing that happened to you! You can discover yourself in this time and also set time, where you can know your positives and negatives. There will be entries of many friendship, where you can find your vibing friend, and can also learn lot from them.

As time flies, I would say that this period of my life was filled with happiness, craziness and bought a bunch of excitement. It's like a full package of everything that you got for your entire life. And these times are truly precious for me.

Also, it is a time where you yourself find out your world as a teenager. There won't be a huge assistance of your parents, and all that you face is by yourself. I am thankful to this institution for their support and I am proud to say that I have discovered myself.

“School time ends pretty fast, but the memories remain forever”! Enjoy this time, because this won't happen to you again.

# YOURSELF

Jennifer was the only daughter for Mr. and Mrs. Harold. She was very active and took advantage of all opportunities. Irina was her best friend. Her ideas and beliefs were different from others, her parents were very proud of her. They always wanted her to be the person she is and follows her heart. She was a little ten year old girl who never cared about what the people around her would think about her.

Few years passed, society developed and several things changed. The impact of society on Jennifer increased. At first, the impact was good and it made a lot of good changes in her. It taught her, how to talk to others, it taught her how to care for others and help others. It enhanced her social skills. But then, Jennifer's sixteen year old mind became too much dependent on society that she stopped listening to her heart, to be what she wanted. Her opinions and ideologies which were once based on her knowledge changed to common one, which every one in the society had. She found it more important to satisfy everyone in the society, that she changed herself and her perspectives which were against her happiness. She was a curly haired girl who only loved to wear hoodies and jeans with a pairs of sneakers and short hair. One day, one of her classmates asked her to straighten and grow her hair, and change

her dressing style, so that everyone would like her. On hearing this, after school she asked her parents the permission for straightening her hair. Mr. and Mrs. Harold agreed, but when they heard that she did it because someone had asked her, they were sad.

The next day she went to school according to the instruction given by her classmate, when Irina saw Jennifer in her new attire because she knew that Jennifer loved curly hair and to wear hoody. She became angry at Jennifer. But that day went as any other day for Jennifer. The only difference was that Irina was mad at Jennifer and didn't talk whole day and Jennifer was sad. Irina and Jennifer were very close friends. Irina knew why Jennifer did that for. She always tried to make Jennifer understand that changing herself against the wish of heart will never help her. While returning home from school, Irina asked Jennifer, "How was school today?" "Was there any difference?" "Did everyone appreciate you for what you did?" Jennifer did not reply she just listened to Irina and lowered her head as tears were filling her eyes. Irina continued "I am sorry Jennie, but you never listened to me. Just be who you are! If you change yourself and seek others attention, then everyone will only like the mask which you will have put up, not you.

You are my best friend because I like you the way you were and the Jennie which I liked disappeared a few years back. Please don't do this. Listen to your heart". Saying this Irina was sad and went away to her home. Jennifer had now realised the truth that if she changed herself for society, she will never be happy. Her opinions are hers and she understood that if she let others decide her things, it will never be her life. She went home and hugged Mr. and Mrs. Harold and apologised.

The next day when Jennifer went to school Irina was absent. The following day, 28th September was Irina's birthday. On that day, Jennifer went home early in the morning. Irina was very happy to see Jennifer in her old self, everyone who loved Jennifer, wanted her to be. Seeing Jennifer back in herself was the best gift Jennie could have given Irina on her birthday.

# DREAM

I dream of a world  
With words spoken into infinite space.  
Scintillating not on heart beauty  
But on the art of life itself.

I dream of a world,  
With a blinding shadow of art  
That salts away shame,  
As though it never even existed

I dream of a world,  
Where souls sing songs,  
With pride and credence  
Silence and prospects sung without prejudice  
As the soul guides its tale

I dream of a world  
Where the time of wrong and right  
Is as clear as the sun;  
The warmth of its faith  
Helps truth prevail over all perjury

I dream of a world,  
Where alone befriends the rain;  
The silence after the pour,  
Pulls alone together,  
To see the moon flouting the beauty of darkness  
Glee with itself.

I dream of a world  
Where dreams are never lost,  
And dreams who never sleep;  
The pleasentries of the sky  
Serve as a path for them  
Heading to a never ending story of gratification

# SOLITUDE

Alone on the path of life I walk,  
No human to whom I can talk,  
About the burdens of my life,  
My pain, grief and strife.

Not a caring face to be seen,  
Not a friendly shoulder on which to lean,  
Not a soul to love and care,  
My life's struggles, I must bear.

Smiling and laughing in the exterior,  
But sobbing, I am, in the interior.  
Life's sufferings alone I face,  
Like a beating with a mace.

Surrounding me are there others,  
Many loving mothers and brothers,  
But none can understand my pain,  
Trying to be happy in vain.

My challenges like a mountain  
Reaching pinnacle, the goal I strive to attain,  
But only when I reach the highest altitude  
Will I succumb to the pain of solitude

നമുക്ക് മുൻപ് ഭൂമിയിൽ കോടാനുകോടി മനുഷ്യർ വന്നുപോയിട്ടുണ്ട്. അതുകൊണ്ട്, അഹംഭാവം വിടുക. സഹജീവികളോട് കഴിയുന്നിടത്തോളം സഹകരിക്കുക. നമ്മുടെ ഭാഗം അഭിനയിക്കുക. സമയമായാൽ രംഗം വിടുക....

# CREATIVE PROBLEM SOLVING IN EDUCATION TODAY

The most direct way to develop creativity is by practicing creativity...  
by actually thinking up solutions to specific problems.

**Alex F. Osborn**

**C**reative Problem Solving (CPS) is an Essential Skill Today's Students Need for their life and for Jobs in Tomorrow's Age of computerization. Creative problem solving is the process of redefining problems and opportunities, coming up with new, innovative responses and solutions, and then taking action. Global research shows that tomorrow's jobs will demand creative problem solving skills. Here is the conclusion of a research done among 1600 educators, and 400 policymakers about how students are being prepared to be creative problem solvers.

Around 95% of the Educators and policymakers agree that: Creative problem solving is critical to future career success in an age of robotics. Around 75% of the educators say that Creative problem solving is important for students to learn

in school. Students who excel at creative problem solving will have higher-earning jobs in the future. Educators and policymakers agree that there is not enough emphasis on creative problem solving in today's curriculum. In schools today there are tasks, but no value is placed on creative solutions – only on the fact that the tasks are executed correctly. Creative problem solving and more independent work would have to be integrated into the curriculum for all subjects at an early stage.

Creative and critical thinking could be the largest area of neglect within our educational systems. Creative Problem Solving, or CPS, defines that, the use of imagination and innovation to find solutions to problems when prescribed processes have failed. Despite its rather dry definition - creative problem-solving in its application can

be a lot of fun for learners and teachers alike in classrooms. When we speak about Today's leadership responsibilities and roles, they aren't limited to delegating and management. Problem solving is not only an important skill, but it is a crucial role for leaders to take on.

As a leader, you need to approach problem solving as an opportunity, with a broad perspective and a calm appearance. And, you need to arm yourself with a few critical approaches to polish your problem-solving skills. Why are problem solving skills essential for leadership? We're talking about the rare quality or qualities that raise the leaders above the rest in the workplace. To become a chief manager, you need to have leadership skills, vision and drive in abundance, but you also need to have some extra-special creative spark.

Very often, it is the problem solving skills, the ability to meet difficult challenges head on and make the right decisions under pressure that separates the wheat from the chaff. If you have problem solving skills, and also you are in a team, then everyone wants to be in your team.

## THE FOUR MOST EFFECTIVE WAYS LEADERS SOLVE PROBLEMS

Whether you are a leader for a large corporation or a small business owner, here are the four most effective ways to solve problems.

### 1 Transparent Communication

Problem solving requires transparent communication where everyone's concerns and points of view are freely expressed. I've seen one too many times how difficult it is to get to the root of the matter in a timely manner when people do not speak-up. Yes, communication is a fundamental necessity.

### 2 Break Down Silos

Transparent communication requires you to break down silos and enable a boundary-less organization whose culture is focused on the betterment of a healthier whole. Unnecessary silos invite hidden agendas rather than welcome efficient cross-functional collaboration and problem solving. Organizational silos are the root cause of

most workplace problems and are why many of them never get resolved.

### 3 Open-minded People

Breaking down silos and communication barriers requires people to be open-minded. In the end, problem solving is about people working together to make the organization and the people it serves better. Therefore, if you are stuck working with people that are closed-minded, effective problem solving becomes a long and winding road of misery.

### 4 A Solid Foundational Strategy

Without strategy, change is merely substitution, not evolution. A solid strategy must be implemented in order to solve any problem. Many leaders attempt to separate a problem rather than identify the strategy for change that lies within the problem itself.

Effective leaders that are comfortable with problem solving always know how to gather the right people, resources, budget and knowledge from past experiences. They inspire people to lift their game by making the problem solving process highly collaborative; for them, it's an opportunity to bring people closer together.

If you are someone that usually avoids problems, start looking for problems to solve. You can only get better at problem-solving when you gain experiencing at dealing with problems. Take your problem to more experienced problem solvers. Learn from their decisions how they think when handling difficult situations. Develop a problem solving method. Some team leaders may struggle with solving problems only because they do not know how to tackle them. The following is a problem-solving process you can follow:

- ★ Establish the real problem
- ★ Find out what others have done
- ★ Have your team study all the angles
- ★ Brainstorm multiple possible solutions
- ★ Implement the best solution

സത്യവാങ്മൂലം എഴുതി തയ്യാറാക്കി ബാഗിൽ വെച്ചു. വേണ്ട, പോലീസു ചോദിച്ചാൽ പെട്ടെന്ന് എഴുതാനുള്ളതല്ലേ വണ്ടിയിൽ വയ്ക്കാം . യാത്ര ചെറുതാണെങ്കിലും യാത്രക്കുള്ള തയ്യാറെടുപ്പ് കുറച്ചധികം ഉണ്ട്.

ഞാൻ തണൽ ബസ് സ്റ്റോപ്പിൽ എത്തിയപ്പോൾ കണ്ടത്, സമാധാനത്തോടെ വിശ്രമിക്കുന്ന ഒരു പട്ടിയും അതിന്റെ മൂന്നു മക്കളും ഈ സറ്റോപ്പിന്റെ പേരിന് ഒരർത്ഥം വന്നത് ഇപ്പോഴാണെന്ന് എനിക്ക് തോന്നി. അവിടുണൊന്നു തിരിഞ്ഞാൽ കാളാണ്ടിത്താഴം ജംഷൻ. ഇവിടത്തുകാർക്ക് ഇതൊരു കൊച്ചു ടൗൺ തന്നെയാണ് പച്ചക്കറി, പലവ്യഞ്ജനം, മീൻ, ഇറച്ചി എന്നു വേണ്ട സിമന്റ്, കല്ല്, കമ്പി തുണിത്തരങ്ങൾ വരെ ഇവിടെ കിട്ടും എന്നാൽ ഇന്നോ കയറു വച്ച് കെട്ടി വേലിയുണ്ടാക്കി ചില കടകൾ മാത്രം തുറന്നിരിക്കുന്നു അവിടെ ഒന്നോ രണ്ടോ ആളുകൾ മാത്രം. വാഹനം ഒന്നു പതുക്കെയൊക്കി ബൈപാസിലേക്ക് കയറുമ്പോൾ എന്റെ സത്യവാങ്മൂലം വണ്ടിയിൽ തന്നെയില്ലെന്ന് നോക്കി ഉറപ്പിച്ചു. കാരണം അടുത്ത ജംഷൻ, ഇരിങ്ങാടൻപള്ളി ഒരോന്നൊന്നര ജംഷൻ അത്യാവശ്യം ചെറിയ അപകടങ്ങളും, ബ്ലോക്കുകളും ഉണ്ടാകുന്ന ഒരിടം അവിടെ പോലീസ് ചെക്കിങ്ങ് ഉണ്ടാകുമെന്നുറപ്പ്.

തിളങ്ങുന്ന രാക്ഷസക്കണ്ണുകൾപോലെ സിഗ്നൽ ലൈറ്റ് ചുവപ്പുകത്തി നിൽക്കുന്നു. പക്ഷെ വിജനം തലങ്ങും വിലങ്ങും നിലവിളിച്ചോടുന്ന വാഹനങ്ങളൊന്നും കാണുന്നില്ല ആ സിഗ്നൽ കനിയൻ കാത്തുനിൽക്കാതെ ഇടത്തോട്ട് തിരിഞ്ഞ് കോവൂരിലേക്ക് .

ഇങ്ങനെയൊരു ജീവിതം നമുക്ക് ചിന്തിക്കാനാവുമായിരുന്നോ... തിരക്കുകളെല്ലാം മാറ്റി വച്ച് ഒരു ചെറു യാത്ര പോലും ചെയ്യാനാകാതെ ടീവിയും, ഫോണും മാത്രമായി, വീട്ടിൽ നിന്ന് പുറത്തിറങ്ങാനാകാതെ..... കോവൂരെത്തി പെട്രോൾ പമ്പിലേക്ക്

..... എന്റെ വണ്ടിയുടെ വയറു നിറച്ച്.....

അയാൾ അവിടെ ഉണ്ടായിരുന്ന കസേരയിൽ ഇരുന്നു. ഇനി ആരെങ്കിലും വരുകയാണെങ്കിൽ എഴുന്നേൽക്കാം എന്ന മട്ടിൽ..... ഇനിയൊന്ന് എടി എമ്മിൽ പോണം വണ്ടി ഒന്നു മുന്നോട്ടെടുത്തു. സാധാരണ പെട്രോളിച്ച് തിരിച്ചു വരുമ്പോൾ ഒന്നു റോഡ് മുറിച്ചു കടക്കണമെങ്കിൽ എത്ര വണ്ടിക്കാർ കനിയണം. മാത്രമല്ല സ്ത്രീകൾ ഓടിക്കുന്ന വണ്ടിക്ക് സൈഡ് കൊടുത്താൽ അഭിമാനക്ഷതം ഏൽക്കുന്നവരും ഉണ്ട്. എങ്ങാനും അബദ്ധവശാൽ നമ്മൾ ഓവർടേക്ക് ചെയ്താൽ ആഹാ അത്രയ്ക്കായോ എന്ന മട്ടിൽ പിന്നാലെ ഒരു വരവുണ്ട് പക്ഷെ ഇന്നാരും ഇല്ല മത്സരങ്ങളും ജയിച്ചവരും തോറ്റവരും ആരുമില്ല.

കുറച്ച് അകലെയായി ഒരു തണലിൽ മൂന്നു പേർ ഇരിക്കുന്നു. ഇവരെയെന്താ പോലീസൊന്നും കണ്ടില്ലേ. എന്താ അമ്മാവാ കൊറോണാ കാലമല്ലേ പ്രായമായവരൊന്നും പുറത്തേക്കിറങ്ങരുതെന്ന് അറിഞ്ഞുടേന്ന് ചോദിക്കാൻ തുടങ്ങിയതായിരുന്നു വേണ്ടെന്നു വെച്ചു. വടി കൊടുത്ത് അടി വാങ്ങരുതല്ലോ. അവരു പറഞ്ഞപ്രകാരം എ. ടി. എം തേടി ഞാൻ മുന്നോട്ട് പോയി. അവസാനം, ഞാൻ തേടിയവളെ കണ്ണിൽ കൊണ്ടു. അവിടെ എത്തിയപ്പോൾ ഒരു സെക്യൂരിറ്റി ഫുൾ യൂണി ഫോമിൽ സൈഡ് റൂമിലിരുന്ന് ഭക്ഷണം കഴിക്കുന്നു. അയാൾ പപ്പടം പൊടിക്കുന്ന ശബ്ദം കേട്ടു കൊണ്ടാണ് ഞാനതിനുള്ളിലേക്ക് കയറിയത് എന്തൊരു നിശബ്ദത കൊറോണയുടെ ശരിയായ അർത്ഥം അതുതന്നെയല്ലേ അതോ ആവശ്യങ്ങൾക്കു മാത്രം മുറവിളി കൂട്ടുന്ന, തങ്ങൾക്ക് കിട്ടിയ അനുഗ്രഹങ്ങൾക്ക് നന്ദി പറയാൻ മറന്ന ഒരു ജനതയെ നിശബ്ദമാക്കിയ ചിന്തിപ്പിച്ച ഒരായുധം മാത്രമെന്നോ ഈ കൊറോണ ചിന്തകൾക്ക് വിരാമമിട്ട് വന്ന വഴിയിലൂടെ തിരിച്ച് വീട്ടിലേക്ക്..

# മാറ്റപ്പെടുന്ന പരിസ്ഥിതി

 **MS. BINU SUNISH**

അനുദിനം മാറ്റങ്ങൾക്ക് വിധേയമാണ് പരിസ്ഥിതി. ഇടുങ്ങിയ ശാസ്ത്ര ചിന്താഗതി മൂലം പരിസ്ഥിതിയേയും അതിലെ സമ്പത്തിനേയും നാം ഇല്ലാതാക്കിക്കൊണ്ടിരിക്കുന്നു. അത് നമ്മുടെ ഭാവനേയും, നില നിൽപ്പിനേയും, നമ്മുടെ ലക്ഷ്യത്തേയും നമ്മുടെ ആവശ്യങ്ങൾക്കായി നാം ഉപയോഗിക്കുന്നു. ഉപകരണങ്ങളേയും ഒക്കെ ക്ഷയിപ്പിക്കുകയാണ്. നമ്മൾ അടിമുടി ഭൂമിയുടെ പൗരൻമാരാണ്. ജീവ വ്യവസ്ഥയെ ഒന്നാകെ നിലനിർത്തുക എന്നതാണ് നമ്മുടെ പരമോന്നതം.

നമ്മുടെ നിത്യ ജീവിതത്തിന്റെ കടിഞ്ഞാൺ ഇന്ന് കോർപ്പറേറ്റുകളുടെ കൈകളിലാണ് നാം എങ്ങനെ ജീവിക്കണമെന്നും എന്തെല്ലാം ചെയ്യണമെന്നും അവർ തീരുമാനിക്കുന്നു. ഭൂമിയോടോ ജീവജാലങ്ങളോടോ അവർക്ക് ഒരു ബാധ്യതയുമില്ല. ഭൂമിയേയും അന്തരീക്ഷത്തേയും ജനങ്ങളേയും പരമാവധി ചൂഷണം ചെയ്യാനുള്ള അവകാശം അവർ സ്ഥാപിച്ചിരിക്കുന്നു. നമ്മുടെ പുഴ

വെള്ളം പോലും ഉറ്റി എടുത്തു കൊണ്ടിരിക്കുന്നു. ലാഭം മാത്രമാണ് അവരുടെ ലക്ഷ്യം.

ആവശ്യത്തിന് ശുദ്ധജലം പോലും നമുക്ക് ഇന്ന് ലഭ്യമാണോ? 'വാങ്ങുക കുടിക്കുക വലിച്ചെറിയുക' എന്ന ഉപഭോഗ സംസ്കാരത്തിന്റെ അടിമകളായി നാം മാറിയിരിക്കുന്നു അമിതമായ പ്ലാസ്റ്റിക് ഉപയോഗം മണ്ണിനും ജലാശയത്തിനും ഭീഷണി ഉയർത്തുന്നു. പാവനമായ വിദ്യാലങ്ങൾ പോലും മാലിന്യ ഭീഷണി നേരിട്ടു കൊണ്ടിരിക്കുന്നു. 'ദൈവത്തിന്റെ സ്വന്തം നാട്' 'മാലിന്യങ്ങളുടെ സ്വന്തം നാടായി' മാറിയിരിക്കുന്നു. നമുക്ക് ചുറ്റിലും വിഷവായു നിറഞ്ഞിരിക്കുന്നു. ഒരു നിയമവ്യവസ്ഥയ്ക്ക് കാത്ത് നിൽക്കാതെ നാം ഓരോരുത്തരും പരിസ്ഥിതിയെ സംരക്ഷിക്കാൻ മുന്നിട്ടിറങ്ങേണ്ടതാണ്. പ്രകൃതിസംരക്ഷണം നമ്മുടെ ജീവിതചര്യയാക്കി മാറ്റേണ്ടതാണ്. നമ്മുടെ പരിസ്ഥിതിയെ സംരക്ഷിക്കാനും ഹരിതാഭമാക്കാനും നമുക്ക് പ്രയത്നിക്കാം.

## GIVING THE BEST

Four decades ago .....  
 The hand that clasped mine  
 Indeed was an honest grasp.  
 It gave me a hearty thrill,  
 The good he poured into others' lives  
 Came back to fill my family.  
 The sorrows he drained from others' cup,  
 Made my own seem sweet  
 And the hours he gave to others' need,  
 Made my life complete  
 He taught me thus .....  
 The good we do each passing day,  
 With a heart sincere and true  
 In giving the world your very best  
 Its best will return to you.  
 Giving his best, he bid good bye.....

# MY INNER CIRCLE

School, the temple of learning, where each of us were enrolled, to start a new innings of life, where most of us joined crying, the fear of being at a new place with new people. However, we mould ourselves so well, make so many new friends, some for eternity. We meet so many teachers, who actually are our parents at school. We learn so many new things which we never knew existed. When we leave once again we are in tears as we do not want to leave all the wonderful people behind. Memories are what we carry as we march ahead in our life for higher studies and to earn our bread.

The fourteen years of my school life at “Welland Gould-Smith school”, Kolkata were full of highs. Thanks to the people around me, I really cannot remember any lows. Entering the gates of my school, one gets a feeling of culture, calm and cleanliness. What a discipline I think no other school compete with our school in terms of discipline. Ours is still the best. Our school still enjoys a high reputation of cent percent results. I had great friends and inspiring teachers. Not that, I found them inspiring then, but thinking of them now, I feel how much I have learned from them, how much I have picked up from my friends.

The mention of teachers has to start with my favourite teacher, Mrs. Lopez. I was scared of her in the beginning but slowly I understood how she wanted her students to be and I could mould myself to become one of her favourites. She made English very interesting that it became my favourite subject too. I have to mention our Mathematics

teacher Mrs. Bodhanwala who was a terror, when we were young but a friend by the time we were in class 8. She was such a genius in her subject that everyone enjoyed her classes and helped me rejuvenate my enthusiasm in learning Mathematics. Our Principal, Dr. (Ms.) Gillian Rosemary Hart is a wonderful person. Her passion and dedication is beyond words. I was really surprised and happy to see her here in St. Mary’s E M School when she came for the affiliation. I shared my old school memories with her and felt a bit nostalgic.

Friends too inspired in their own way unknowingly. Molly Das was a very close friend, from whom I learned that all subjects had to be given equal importance. A Maths test on the next day does not mean that you should neglect English. Fiona Peters good in sports showed that along with studies, we need to enjoy life with friends also. We need to take out time for friends and sports. Henna, the expert in S.U.P.W always ready to lend a helping hand. What a super artist she was! There were so many others with whom I had small interactions and I must say each friend or teacher shaped my life with their small acts. I am so indebted to all for all the positive influence they have had in my lives.

I miss my school days, since it was all about having fun and no competitions. There are some stuff of my school days, as I remember them, which I cherish today as sweet memories, I wish that God makes everyone’s childhood days as carefree and jovial as mine. Cherish your school life and stay motivated.

# LETTER TO MOM

**H**i Mom, can you hear me? I'm right here under your bed your daughter threw me last time and from then on I'm lying here alone I got a crack on my head, but my heart is still breathing 24 hours a day. Your daughter loved me when you presented me to her. I used to keep her on time for everything. She never used to get late but I was always punctual and determined now she has someone better than me. It has some new feature to wake her up every 5 minutes. She calls it snooze. It's a trap mom. She gets up late now a days because of her new friend. She goes on snoozing and snoozing and disturbs everyone in her room. But no one throws her new friend. Only I had to suffer all time. Once I was drowned in water too, that my heart stoped beating. I'm ready to forget all that but please accept me back to your life. My energy is draining out and soon I'll be gone if I don't get another battery. I hope you find me soon.

It's me  
Your loving

## IN REAL LIFE

**Alarm clock:-** People who guide and support us to become successful. But at some point we ignore them thinking we are being controlled by them.

**Phone alarm:-** People who drag us into bad habits and we lose control over our life. We hang out with them without knowing that they are ruining us. They keep on giving us snooze time until everything goes apart. So start loving and respecting the alarm which you threw under you bed.

# A DAY @900 WOODS

Ms. REKHA A P

Every year we school friends from Calicut conducts get-together except for 2020, due to obvious reasons. This year there was no hope for trip but unexpectedly my dearest friend, Manjari came and decided to have an adventure trip.

Twelve of us, started around 5:30 am on November 20th from Calicut in a traveller and reached the parking lot of Kalladi by 8:15 am , where resort manager was waiting with two jeeps to take us to the resort. It was the first off-road trip to many of us and we were all excited and scared at the same time. But the ride was really enjoyable and we screamed and shouted and laughed a lot and finally reached resort.

Hearty welcome by the resort staff , followed by a very delicious breakfast. After breakfast we visited Glass bridge. The travel to glass bridge is through forest While travelling fog will slowly embrace us. You can feel the fresh air and can see different varieties of flowers and animals.

The view from glass bridge is breathtaking . We can see the nature at its best covered by raw

forest. The forest is preserved in its natural beauty, giving a very positive ambience which will refresh your mind and soul in minutes. Lush greenery, mist, stream , winds all of these can't be explained and one has to experience it and are all beyond any words. The silence, away from all the chaos gives you immense peace and happiness. You won't find the gimmicks of any luxurious resort with complicated amenities here.

You will find, peace, happiness, silence and some time for yourself and nature in its original form. Lunch was also very delicious and was served exactly what we requested. After lunch, the staff arranged speakers and mikes for us to have fun by singing and dancing

We returned by 4:30 pm after tea with tons of happiness in our hearts, loads of good memories to cherish and with hundreds of photos in our mobiles. To summarize, very friendly staff, neat and clean environment, superb delicious food and a great atmosphere of nature. Enjoyed every moment there and waiting for the next trip.

माँ की कोख में रहते समय

न थी मुझे अपनी पहचान ।

बेटे की ख्वाहिश में

माँ बाप घूमने लगे सारे के सारे मन्दिर ।

मेरा तन तडपने लगा, मेरा मन तरसने लगा,

माँ की ममता और बाप का स्नेह, दोनों से

बनाया मैंने शीशमहल ।

लेकिन , पहचान लिया मुझे जब

खत्म कर दिया, दोनों ने कोख में ही ।

मरते वक्त भी कहा मैं ने रो रोकर,

मत मारो मुझे

जरा सुन लो मुझसे ही है

शुरुआत संसार की,

मुझे खत्म करना, धरा को खत्म करना है ।

# MIRAGE

Ms. JYOTHI UNNIKRIISHNAN

I ran behind her as fast as I could with all my might, but she has gone far ahead. In the dim twilight I could see her wobble through the sands of the beach at a distance. I could guess that she's wiping her tears in between; perhaps cursing herself for being the daughter of such an unfortunate mother. Could all such mishappenings have been avoided? Why didn't I be like any other mother ..... ? A consolation? A shoulder for them to rest upon .....

Slowly I walked into the house. Can anyone call it one.....? A heart burdened with sorrows, a head which is on the verge of getting burst any moment. What have I gained? Was I able to discharge my duty as a daughter, Sister, wife or mother successfully? If not all, at least one ? An utter failure !! In true sense, a life without any sense or meaning.....

Don't know when sleep graced me. But wouldn't have been for long because I could feel the heaviness of the eyelids when I woke up with a start. I opened them with great difficulty.

A rewind of the incidents-- What went wrong and when? Whom to blame and for what?

Perhaps , it's just fate. Can fate be so cruel all the time? ..... Maybe for some.....

Can fate be blamed? Or is it one's own deeds..... No idea. May be, May not be.....

Things were quite normal in the beginning. Perhaps, I had been a fool to expect so.

When I saw him walk away with a lady twice

his age, I felt my blood freeze. He gave me a hard blow when I tried to plead. The blow was a hard one but my frozen mind and heart didn't know the severity of the pain as the inner pain was more severe. Emotionless, not knowing what I would do with my children who seemed too small to know the seriousness of life, I sat down in the dark corner of the drawing room. I held my children close to me, lest they should feel lonely.

Tears gushed down my eyes like the water overflowing from a dam. My daughter, just six, wiped my eyes and asked me, " Mama, Is it the headache that's bothering you again?" "Shall I get you your tablets? I cried aloud like never before, holding them very close to me. From this moment, we would remain so close to each other in all the hardships that may arise.

Hard were the times to feed three mouths, Two growing children and of course, going without food wasn't a matter of concern to me because watching my children eat stomach-full was quite satisfying -- both to my hunger and heart.

Though not well off, we found happiness and satisfaction in the little things around us. Least to realise that no sooner fate had another blow in store for us. It came in the form of a fall from the stairs of the house where I worked for the living. Some kind hearted people got my leg plastered and once again I was in the darkness, not knowing what would happen next.

The cry of hunger of my children was so deaf-

ening and I was totally helpless, unable to move.

Then, I don't know whether it could be considered as a blessing in disguise or an act of cruelty. My neighbour brought in a person who was ready to adopt my son. With a disrupted heart, cut apart with a blunt knife, I agreed to it, thinking if he would escape, let him escape.

His heart breaking cries still echoes around and haunts me even now. He was turning back and begging me not to give him away. At the same time he was kicking and biting them, trying to make himself free from their clutches. I stood motionless as a statue. My daughter shook me so hard, Perhaps, to know whether I'm still alive. She fell at my feet and begged for the piece of her heart that was being taken away. I could do nothing. His cry out of hunger was so unbearable that..... If someone could feed him and give him the best, why deprive him of it? After that I never saw him. The comforts of life would have made him forget his past or he knew it was meaningless to expect something from a mother.... like me.

After that, my daughter appeared to be a bit scared. She knew next would be her turn. Even though I tried to keep her close, there was a gap between her and me. I felt scared that the gap would widen. I tried to reason with her but I was speechbound when she told, pointing to the other side where he used to sleep, 'Mama, Don't you feel there's a void on the other side of the bed. A voidness that would never be filled?' "Will you give me away too when someone comes?" She cried so loudly for a long time and later slept. My mind was alert. At times I felt the door creaking. I held my daughter close to me. Slowly I got up, searched for the big sharp knife and kept it handy under the pillow.

The day's toil for livelihood and the sleepless night started putting pressure on my health. It almost became a routine until one night overexertion completely overpowered me and I slept like

someone dead, forgetting the dreadful vultures flying around waiting for an opportunity to peck the tender soul sleeping next to me. I didn't hear the creak of the door. But the sharp shrill voice of my daughter woke me up. I was startled to see two heavily built devils near her. Before I could lay my hands on the knife, I was taken and thrown out. Half conscious, I could hear the shrillness getting louder and louder and later it became faint. She is being torn to pieces. I tried to get up in vain.

Lastly, when everything was over I could hear her groan. The two demons walked out, giving me a kick. How long I laid so, I did not know. Slowly I got up and crept in, covered her with a bedsheet. Sat down and wailed over the ill fate. I could feel the slight stir on the bed. Within an hour or so she was making attempts to get up. I didn't have the courage to face her. After struggling for an hour or two, she was on her feet. Looked contemptuously at me, Spat on my face with all hatred and staggered towards the door and finally stepped out.

The sequence of events that flashed through my mind gave me tremendous pain. It was such an excruciating pain, that I felt the whole house reeling around. Slowly I made my way out into the darkness. The darkness didn't scare me as before. I moved ahead aimlessly. The sea was roaring in front of me. It seemed like calling me to find peace in her. The sea which has a lot of secrets hidden in its depth would accept me and the pain within. I walked and walked into its depth with prayers for my two loving kids. Wherever they are, Oh God! Keep them safe and happy. As I reached my neck depth in water, I heard someone calling out to me. I was astonished to find the apple of my eye waving to me, calling me back. I wanted to run back to her, but before I could do that a huge wave came and swept me into the sea. I held my hand high, hoping to be saved, if not just to bless her, who is my priceless treasure.

രജതജൂബിലിയുടെ നിറവിൽ നിൽക്കുന്ന സെന്റ് മേരീസ് സ്കൂളിന്റെ എല്ലാ വിജയഗാഥയ്ക്കും പരിശുദ്ധ അമ്മയുടെ അനുഗ്രഹാശിസ്സുകളാണ് ആധാരം. പരിശുദ്ധ അമ്മ, ഈ അഭ്യസന കളരിയിലേക്ക് കടന്നുവരുന്ന ഓരോ മരിയൻ കുടുംബാംഗത്തേയും ഒരു കാന്തിക ശക്തിപോലെ നന്മയിലേക്കാകർഷിക്കുന്നു. ഓരോ അധ്യയന ദിവസത്തേയും വരവേൽക്കുന്ന പ്രഭാതവന്ദനവും വിദ്യാലയാങ്കണത്തിന്റെ ഒരറ്റം മുതൽ മറ്റേ അറ്റം വരെ വീശുന്ന മന്ദമാരുതനും ഇതേ നന്മയുടെ സന്ദേശം വഹിക്കുന്നു. ഓരോ മരിയൻ കുടുംബാംഗവും ഈ നന്മയുടെ സന്ദേശവാഹകരാകാൻ ഈ അമ്മ പ്രതീക്ഷിക്കുന്നുണ്ടാകാം.

മൂല്യബോധവും ദിശാബോധവും ലക്ഷ്യബോധവുമുള്ള തലമുറയെ കോഴിക്കോട് നഗരത്തിനായി, ഈ നാടിനായി ഈ ദേശത്തിനായി വാർത്തെടുക്കാൻ ഇവിടെയുള്ള അധ്യാപകരുടെയും അനധ്യാപകരുടെയും കൂട്ടായ പ്രവർത്തനം വഴിയൊരുക്കുന്നു. കഴിവുകളിൽ പ്രശംസിക്കുവാനൊന്നുമില്ലെന്നും മാതാവിന്റെ കരുതലും കാവലും എപ്പോഴും ഉണ്ടെന്നും പ്രധാന കവാടത്തിനരികിലായി സ്ഥിതിചെയ്യുന്ന ഗ്രോട്ടോ, വിദ്യാലയത്തിലേക്ക് കടന്നുവരുന്ന ഓരോ മരിയൻ കുടുംബാംഗത്തേയും ഓർമ്മപ്പെടുത്തുന്നു. മാതാവിന്റെ കരസ്ഥർശവും കരുതലും ആവോളം അനുഭവിച്ചവരാണ് ഈ വിദ്യാലയത്തിലുള്ളവർ. ലക്ഷ്യ

ത്തോളം തന്നെ മാർഗ്ഗവും പ്രാധാന്യമർഹിക്കുന്നു എന്ന അറിവാണ് ഈ അഭ്യസന കളരിയിൽ നിന്നിറങ്ങുന്ന ഓരോ വിദ്യാർത്ഥിയും ആർജ്ജിക്കുന്നത്. പഠനപ്രവർത്തനങ്ങൾക്കും പാഠ്യേതര പ്രവർത്തനങ്ങൾക്കും തുല്യ പ്രാധാന്യം കൊടുത്തുകൊണ്ട് ഒരു വ്യക്തിയുടെ സമഗ്ര വികസനത്തിന് ഈ വിദ്യാലയം ഊന്നൽ കൊടുക്കുന്നു. ഏകാഗ്രമായ മനസ്സും ഏകാന്തമായ അന്തരീക്ഷവും കഠിനപ്രയത്നവും വിജയത്തിന് ആധാരമെന്ന് ഈ ക്യാമ്പസിലെ ഓരോ മുക്കും മൂലയും വിളിച്ചോതുന്നു. കാലാനുസൃതമായ പഠനരീതികളും പഠനസാഹചര്യങ്ങളും സൃഷ്ടിക്കാൻ ഈ അറിവിന്റെ പാഠശാലയിലേക്ക്, ഈ അമ്മ അനേകരെ മാടിവിളിക്കുന്നു.

മാനുഷികമായ പദ്ധതികളല്ല ദൈവീക നിയോഗങ്ങളാണ് നമ്മെ നയിക്കേണ്ടതെന്ന് തന്റെ ജീവിതത്തിലൂടെ പഠിപ്പിച്ച ഈ പരിശുദ്ധ അമ്മ, നന്മയുടെ ബഹിർസഫൂരണമാണ്. പൂർണ്ണത ദൈവികമാണെന്നും പ്രതിഫലിച്ചു കൂടാതെ സൽകർമ്മം ചെയ്യുകയാണ് പ്രധാനം എന്നു മുളള അറിവ് ഈ വിദ്യാലയം നൽകുന്നു. സമൂഹത്തിന് തന്നാലാവും വിധം തനിക്ക് ലഭിക്കുന്ന നന്മ പങ്കിടണമെന്നും അതുമൂലം പാർശ്വത്കരിക്കപ്പെട്ട വിഭാഗത്തിനായി തന്നാലാവും വിധം തന്റെ സമയവും ഊർജ്ജവും സമ്പത്തും ചെലവഴിക്കണമെന്നും പഠിപ്പിക്കുന്ന ഈ വിദ്യാലയത്തിന് എല്ലാവരുടെയും മനസ്സിൽ വലിയൊരു സ്ഥാനമുണ്ട്. പരിശുദ്ധ അമ്മയുടെ അപേക്ഷയാൽ ഈ നഗരത്തിന് ഈ നാടിന് ഏറ്റവും പ്രിയപ്പെട്ടൊരു പഠനകളരിയായി മാറാൻ ഈ വിദ്യാലയത്തിന് സാധിക്കട്ടെ എന്ന് ആശംസിക്കുന്നു. ഉന്നതനിലവാരത്തിലുള്ള വിദ്യാഭ്യാസത്തിനായി ആഗ്രഹിക്കുന്നവർക്ക് ഈ പാഠശാല ഒരു സാന്ത്വനമാകട്ടെ. വായനക്കാരുടെ പ്രാർത്ഥനയും അത് തന്നെയാകണമെ എന്ന് അഭ്യർത്ഥിക്കുന്നു.
