

Annual Report Introduction (2025–26)

“This is the Lord’s doing; it is marvellous in our eyes.” – “Bible says”
“ഇത് കർത്താവിന്റെ പ്രവൃത്തിയാണ്; ഇത് നമ്മുടെ ദൃഷ്ടിയിൽ
വിസ്മയകരമായിരിക്കുന്നു.”. (Today you will see marvelous things on this
stage. It is the Lord’s doing.)

A fine evening to one and all present here.

Respected dignitaries — **Mr. Ajaykumar**, cine artist fondly known as ***Guinness Pakru***; **Rev. Sr. Anitha**, Superior General and President of the function; **Sr. Shaina**, **Regional Superior**; **Sr. Soly**, **School Manager**, **Sr. Yelda**, HM Primary School; **Mrs. Saritha Parayeri**, ward councillor; (Mrs. Prasanna) **Mr. Binu Kuruvilla**, PTA President, invited guests; sisters; coordinators; teaching and non-teaching staff; parents; students; and well-wishers.

With immense joy, I welcome all of you to see the marvelous things done by students. It is truly an honour to present before you the steady and vibrant progress — the upward graph — of our school’s growth. I thank, each one of you, for being an integral part of this beautiful journey of growth.

The Annual Report not only highlights our achievements but also invites us to reflect on areas where we can grow further. Though the full chronicle of the year is captured in the video presentation, let me to highlight a few milestones.

Our journey of excellence continued uninterrupted from last February onward. The Board exam results were excellent and made us proud. The increase in the total number of students is another achievement we celebrate this year.

To strengthen the academic excellence, by changing the classroom strategy, our teachers underwent subject-wise training with the help of six well-experienced resource persons from DIET, under the leadership of **Dr. Vijayan**, who took up the role of **Academic Officer**. Dr. Vijayan also began regular classroom observations and provided constructive feedback to teachers.

Our digital classrooms were upgraded and maintained with proper connectivity and AMC support. Along with the K-DISC innovation programme, we embraced advancement by introducing **AI and Robotics** for Classes 1 to 8 — a confident step into modern technology.

In addition to academics, our children shined brightly and brilliantly in both cultural and sports arenas. These achievements have been kept brief in the video presentation due to time constraints.

Another joyful achievement I am delighted to share is the **cent percent participation** of our students on stage, as usual — except for one or two absentees from a few divisions due to genuine reasons. St. Mary's is special and unique in this regard, and the credit goes to our **dedicated teaching staff**. They truly deserve a big salute for their commitment.

As we celebrate these achievements today, I express my heartfelt gratitude to my dedicated team. I give great importance to teamwork in St. Mary's. Yes — our team discussions make every success possible. My committed team of teaching staff led by **4 sisters (Sr. Solly, Sr. Linta, Sr. Yeldha & Sr. Neena) and 6 coordinators**, (Ms. Julie I V pulikkottil, Ms. Mahalakshmi, Ms. Radha Salooja, Mr. Pramod poyil, Ms. Sunitha K v & Ms. Bhavana Soney) has my deepest appreciation. No words can express their collaborative efforts.

Our team of non-teaching staff, guided by **Sr. Basil, Ms. Cigy, and two sisters (Sr. Dani & Sr. Akhila)**, also deserve appreciation for their tireless work from behind the curtain. Our supportive PTA team is very understanding and helpful.. Truly, the collaboration of all these teams is the fuel and energy that keeps me moving forward.

I place all our efforts under the loving hands of Jesus, whose blessings sustain us. A special word of thanks to the entire group of sisters of the SJC Congregation for their continuous spiritual support. I hope Mother Anitha & Sr. Shaina will reach this message to all our communities.

With immense pride and gratitude, I now invite you to enjoy the visual presentation of our Annual Report, thoughtfully prepared by our talented students and team of teachers. (Ms. Julie I V Pulikkottil, Ms. Beena B, Ms. Shabeena, Ms. Reshma Mary, Ms. Haritha & Ms. Zinia K).

Thank you

Sr. Anice
